# Foreword of the Author

Honored Reader,

I received these dream sequences, «Revelations» in the years 2011-2013. For a long time I did not know how to interpret them, because the present ascension of mankind and the world brought forth a dynamic, whereby I could not place these pictures.

These «linear sequences» of events seemed to intersect with some actual developments, yet as a whole did not fit the present ascension dynamic.

Today, it is the 27th of July 2014, I received clarity: «***This is the Revelation of End Time of all 4D-Holograms before these worlds will also be uplifted to the fifth dimension of All-That-Is.***» Elija

In joy and gratefulness may I present to you this writing of the ***Prophet Elija***.

This is an expanding proclamation from the Light, whereby we partake in the complexity of this unique process of the ascension of many worlds.

With God's Blessing

# Introduction by Elija

This is the Revelation for the 4D-Worlds, wherein time has no more power and life is unlimited by space.

This is the Revelation for the end time of all 4D-Holograms, before these worlds will also be uplifted into the fifth dimension of All-That-Is.

This is the Revelation after the Revelations; after this world has been transformed, begins the process of transformation for the «remaining» worlds and the «remaining» human Beings.

This is the Revelation, which says that the newly ascended Masters will act on these worlds, until the end of space-time has been reached and the final departure from this level of All-That-Is has also come for these Masters of Love.

This is the Revelation for humanity, so that those, who are involved, understand and those, who already know for a long time, receive knowledge of further developments in space-time; far beyond the upcoming events in this world. This is revealed to you for joy, for blessings, and for the benefit of all Life.

Message from Elija

## Prophecies until the year 3000

I am ELIJA

God's Prophet, returned and in my spirit the eternal presence on this planet.

***«Fire will burn everything,  
Water will flood everything,  
The Earth will bury everything under her,  
The Storm will bring a new World.»***

Truthful seekers know it, truthful knowers among the knowers, interpret the signs of the time and understand what is.

The decade 2011-2020 changes the worldview.

The decade 2020-2030 changes humanity.

The decade 2030-2040 establishes the subtleness of the planet.

The decade 2040-2050 establishes the subtleness of the human body.

The decade 2050-2060 brings immortality.

The decade 2060-2070 brings the earth into suction of the 5th dimension.

The decade 2070-2080 returns many human Beings, who have attained enlightenment a long time ago, to the levels of 3D and 4D.

The decade 2080-2090 lifts the earth, which presently is in the nearest hologram to earth, which presently chooses ascension, into suction of the 6th dimension.

The decade 2090-2100 means farewell for many Masters, who from then on will complete their evolution cycle on the 6D-12D levels.
